

Janssen Clinic for Animals
Privacy Policy for Medical Information

Purpose of Requiring Consent to the Release of Information

At the Janssen Clinic for Animals, we respect your right to privacy. By law, we cannot release any medical record information, except rabies vaccine status, to anyone without your verbal or written consent.

For convenience sake, however, you may wish us to share vaccination status or other requested information under certain circumstances, such as with boarding kennels, pet sitters, adoption agencies, emergency clinics or other veterinarians.

Vaccine information is provided without charge while further medical record information may be subject to medical record release charges.

Please indicate your privacy preference by initialing next to the line, then sign below:

____ **YES** or ____ **NO** **I authorize the use of my picture with my pet on your website.**

_____ I authorize release of any medical record information to any business or individual upon their request.

_____ I DO NOT authorize the release of any medical record information without my verbal or written consent.

_____ I authorize release of records only to the following agencies or individuals (Please specify by name below):
